PROJECTS

E-COMMERCE LIBRARY 2021
fs-ecommerce-react.herokuapp.com
- Developed and designed a **responsive**, **multi-platform** web app using **HTML5**, **CSS3** + BEM, **JavaScript** ES6 and **React**
- Implemented **e-commerce** functionality by managing application state with **React Hooks** and **Props**
- **Improved loading speed** by linking pages with **React Router**

PERSONAL WEBPAGE 2021
devbdarius.github.io
- Developed and designed a **modern**, **responsive** and **multi-platform** webpage using **HTML5**, **CSS3** + BEM, **JavaScript** ES6
- **Improved website performance** by **compressing**, **caching** and **lazy-loading** images
- Included **SEO** by using **semantic HTML**, highlighting keywords and structuring the HTML using best industry practices
- Connected to **backend Email API** through **CRUD HTTP** requests

ASTEROIDS 2020
github.com/DevBDarius/asteroids
- Created a remake of a classic Asteroids game in **pure Python**
- Implemented **algorithms** for sprite spawning, keyboard/mouse **events**, sound **triggers**, acceleration and rotation etc.
- Used pre-made non-animated assets and achieved animation through **rotation/position calculations**

WORK EXPERIENCE

COSTA COFFEE | SUPERVISOR
July 2019 - Ongoing | London, UK
- Working **in a team** of fellow baristas running a coffee shop
- Pushing my **time-management** ability by balancing customer service duties with shop's cleaning, quality-control and administrative duties in a **fast-paced** environment
- Polishing my **communication** skills by listening and responding to customers' individual needs

JERUZALE HOTEL | ADMIN/RECEPTIONIST
September 2017 - May 2018 | Vilnius, Lithuania
- Worked **in a team** running a hotel
- Administered hotel's web-pages and online services
- Polished my phone/written **communication** skills by handling customers' enquiries
- Improved my **leadership** skills by supervising housemaids' work
